

Real estate agency

Building complex - cod.D1091 - Periferia Negotiation in agency

In a suggestive corner of the Island of Elba, we offer an interesting real estate complex used as an accommodation facility, characterized not only by a panoramic sea view, by the brightness of the interiors, by the mix of ancient architectural elements and technological devices, by a well-kept terraced garden of over 1,000 sq m. the property is internally divided into six studio apartments on two floors for a total of approx. 150 with hotel destination. The furniture is included in the sale. Well maintained and very attractive property due to its unique seafront location.
