Villa/farmhouse - cod.E1012 - Periferia price 1.000.000,00 euro

Detached villa located in a prestigious area in Marciana Marina with sea and panoramic views of the town. The property is divided into several levels with large and panoramic terraces, large garden with terraces made with dry stone walls (typical of the island and pleasing to the eye), garage and large parking area. Considering the size, the large spaces and the internal layout, this property lends itself to being divided into multiple real estate units.
