Appartamento - cod.EG1012 - Marina di Campo price 175.000,00 euro

We offer a nice two-room apartment with a large garden in Marina di Campo. The apartment, located on the ground floor, is internally divided into a living room with kitchenette, bedroom and bathroom. Externally, however, we find a very comfortable paved pergola, perfect for outdoor dining and a large garden with a double parking space. The property is located in a quiet context, where the confusion of the lively town in the summer does not arrive, so as to be able to make full use of the outdoor spaces favored by exposure to the sun. Excellent solution both for investment and as a second home by the sea.
