Villa/farmhouse - cod.EG1025 - Nisportino price 905.000,00 euro

In the quiet town of Nisportino, surrounded by greenery and nature, we offer a large detached villa with a panoramic sea view. The property is distributed on a single level so as to make the most of the garden and the various pergolas present on all sides of the house. Internally we find a large eat-in kitchen connected to the first external pergola, a bright living room also communicating with two other pergolas, four bedrooms all with independent access also from the outside, hallway and closet. The property is completed by a large garage not directly connected to the house but immediately adjacent to it. An excellent solution for those looking for a house by the sea without the classic confusion that the summer months bring to the island, without giving up the comforts and view that this villa offers.
