Semi-detached house - cod.E1050 - Cavo price 150.000,00 euro

In a panoramic position overlooking the port of Cavo and the island of Palmaiola, we offer a portion of a property with a private garden and sea view. The property requires extensive renovation but the convenient location for services, the sea and the ferry dock makes this property a good solution for those who want a home in a tourist resort on the Island of Elba. Cavo is a small typical village on the island, the closest to Piombino and easily reachable both on foot in 20 minutes by taking the hydrofoil, and by car in 40 minutes using the classic ferry.
