Real estate agency

Land for sale - cod.M1100 - Periferia price 70.000,00 euro

Surrounded by the countryside and tranquility, yet just a few kilometers from services, we offer a large agricultural land of over 6000 square meters, equipped with vehicle access through an exclusive gate, featuring a well, a shed, and a small tool storage, connected to the electricity network. The land, arranged over several terraces with various fruit trees, is an excellent opportunity to start or expand small agricultural activities.
