Real estate agency

Land for sale - cod.E1074 - Periferia price 130.000,00 euro

In the locality of Buraccio within the municipality of Portoferraio we offer an olive grove with a surface area of 6,700 square meters and approximately 115 productive olive trees arranged on a terraced land, which has not been completely occupied, it is therefore possible to plant additional olive trees or other types of fruit trees. The property, easily accessible even with heavy vehicles, is an excellent investment opportunity.
