independent apartment - cod.M1137 - Centro price 198.000,00 euro

In a very quiet residential area, conveniently located near services and close to the sea, we offer an apartment with a private entrance covered by a pergola. Internally, it consists of a living room overlooking the kitchen, a spacious bedroom, a bathroom, and a convenient storage room. The living area also opens onto a small and private exclusive garden, ideal for outdoor lunches and dinners. The property is completed by a nearby piece of land with a ruin, which can also be used as parking. This is an ideal investment for small families living in the area, but also for a seaside home given its proximity to services and beaches.
