Real estate agency

Flat/Apartment - cod.M1163 - Centro price 350.000,00 euro

In a strategic location near services and the sea, on the raised ground floor of a small building in excellent maintenance conditions, we offer a spacious and comfortable apartment that has been recently completely renovated and is equipped with air conditioning. The property internally consists of a living room with a small terrace in front, a fully equipped kitchen, three large bedrooms, and two bathrooms. This solution is ideal both for resident families and for investment purposes, as the apartment guarantees an excellent return with short-term rentals.
