Rural property - cod.D1130 - Nisporto price 300.000,00 euro

In a quiet and privileged location, dominating and with a super panoramic view of the sea, a ruin of about 70 square meters with 700 square meters of surrounding park and sea front. The property is located less than 100 meters in a straight line from the coast and 400 meters from the nearby beach of Nisporto, a small bay where you can enjoy the splendid sea of Elba. It is just a few kilometers from Bagnai, another wonderful seaside village, from Rio Nell'Elba and from Rio Marina where all services can be found.
