Land for sale - cod.S1175 - Centro price 170.000,00 euro

In a central area of Marciana Marina, in a quiet sunny residential context and just a short distance from all services, there is a plot of land of about 2200 square meters, buildable and completely flat, easily accessible from a public road. It is possible to build a single-family villa up to a maximum of 120 square meters. Great for residence.
